Dear [Redacted]

This is to confirm that our Director, Mr. Casey will be your guest speaker as well as receive the Chair for Distinguished Service in Foreign Affairs Award, Wednesday, 13 April, 5:30 p.m., at Georgetown University. As I understand it, the award comes under the Edward Weintal Prize for Journalism at Georgetown University. Please send us an updated agenda and any other information as it becomes available. I thank you for the material that you have sent over already.

You have already received a copy of our Director's photograph and biography. Since the press are invited, we will, therefore, expect them to be present. However, as we agreed there will be no television camera coverage or video taping of Mr. Casey's speech. We also understand that there has been a tradition of no questions and answers. Please keep us informed if there are any changes. We would appreciate having the speech taped for our records, and we will make our own arrangements for its transcription.

If we can be of further help, feel free to call me on 351-7676.

Sincerely,
